

Project scope

Name:	Simran Brar
Community & UN SDG(s):	Earth Wells (Those who have or need knowledge about natural water filters), Clean Water & Salination (UN SDG #6)
Date:	22 October 2023

Project Name	Earth Wells
Project Deliverables	
User Account	<p>As a User, I would like to sign – up so that I can use the Earth Wells application</p> <p>As a user I would like to login/logout so that I can decide when I want to be logged in or out.</p> <p>As a User I would like to edit my account details so that I can keep my information up to date</p>
User Posts	<p>As a User I would like to create a post so that I can provide information to my community on natural water filters.</p> <p>As a User I would like to reply on a post so that I can ask questions about that specific post.</p> <p>As a user I would like to add images and videos to my posts so that I can communicate clearer with visual aids.</p>
Post experience	<p>As a User I would like to like/rate a post or comment so that I can rate a post.</p> <p>As a User I would like to categorize my post so that others can understand what type of post I am making.</p> <p>As a User I would like to search by category so that I can find posts that are interesting to me.</p>
Project Space	<p>As a user I would like to store some files on the application so that my files can be located in one place.</p>
Group Communication	<p>As a user I would like to message individuals directly so that I can form connections and ask questions.</p>
